SplitHit: Vocal Remover, Karaoke Maker, Backtracks app Music buff?Get a unique listening experience by playing with the volume of each channel. Mute all instruments to hear what a song would sound like Acapella. Enhance the vocals to add power. Boost the drums for the ultimate heavy experience. After using Split, music will never sound the same! Learning an instrument? Want to sing? Learn how to play the piano? The drums? No problem. Just mute your instrument's channel and play along, or mute all other channels to focus on your part.
